

W1 QUICK DETAILER

Description:

W1 is a fast and effective multi-purpose cleaner, suitable for easy cleaning and protection of the inner and outer surfaces of cars. Its unique formula increases “gloss” and water resistance, with a silky effect to the touch. W1 is a great support during the drying phase as it reduces the risk of limescale stains on the surface.

Directions for use:

Spray W1 2-3 times directly on the dry or wet surface, or on a microfibre cloth, then spread and wipe with a microfibre cloth. The product is fully activated 7 hours after application.

Consumption:

100-150 ml/car

Warnings:

The product should not be applied on hot surfaces or in direct sunlight.
To handle the product follow the precautionary advice on the safety data sheet.

Technical Features:

Appearance and colour: clear yellow liquid
Odour: characteristic
pH: 3,5 ± 0,5
Flash point: > 60°C
Relative density: 0,99 g/cm³
Solubility in water: soluble
Solubility in oil: not soluble

Storage:

Unopened and stored at room temperature away from direct sunlight.

Packaging:

PACKAGING	BOX	ITEM CODE
100 ml	6 PCS	79300
500 ml	6 PCS	79301
5 L	-	79302
